The Burgess and Building Inspector stated they had nothing to report at this meeting.

The various committees also had no reports to present.

Unfinished business; Since there has been no indication that the operator of the Riding Academy on the former Walnut Hill farm property has applied to the Zoning Board of Adjustment for the necessary exception, the Secretary was directed to consult with the Solicitor regarding further action to be taken in order to bring this matter to a conclusion.

New Business; Mr. Jos. Townsend presented the ammended Zoning Ordinance for approval. These ammendments were previously presented at the March Meeting and a Public Hearing was held on March 12th at which time there were no objections against the ammendments, therefore it was moved and seconded and unanimously Resolved that the Zoning Ordinance of the Borough of Chester Heights as ammended is hereby adopted and effective as of April 2nd 1956.

There being no further business, the meeting then adjourned.
