## INDEPENDENT AUDITOR'S REPORT

Members of Council  
Borough of Chester Heights  
Chester Heights, Pennsylvania

We have audited the Annual Audit and Financial Report, Form DCED-CLGS-30 of BOROUGH OF CHESTER HEIGHTS as of and for the year ended December 31, 2019.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of this financial report in accordance with the financial reporting provisions of Commonwealth of Pennsylvania Department of Community and Economic Development (DCED). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial reports that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on this financial report based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles**

The financial report was prepared in conformity with the accounting practices prescribed or permitted by the Department of Community and Economic Development (DCED). The BOROUGH OF CHESTER HEIGHTS prepares its financial report on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial report of the variances between the regulatory basis of accounting and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### **Adverse Opinion on U.S. Generally Accepted Accounting Principles**

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial report referred to in the first paragraph does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of BOROUGH OF CHESTER HEIGHTS as of December 31, 2019, or the changes in its financial position for the year then ended.

### **Unmodified Opinion on Regulatory Basis of Accounting**

In our opinion the accompanying financial report referred to above presents fairly, in all material respects, the cash balances of BOROUGH OF CHESTER HEIGHTS as of December 31, 2019 and the revenues it received and expenditures it paid for the year then ended in accordance with the financial reporting provisions of the Commonwealth of Pennsylvania Department of Community and Economic Development as noted above.
