Borough of Chester Heights  
53 W. Baltimore Pike, 2<sup>nd</sup> Floor  
P.O. Box 658  
Chester Heights, PA 19017

Dear Mayor Montgomery,  
On behalf of Bird Town Pennsylvania and the Pennsylvania Audubon Council, we are delighted to congratulate your municipality on being accepted to our Bird Town Program! We are excited to note that your municipality is the 104th Bird Town!

Our Outreach Committee carefully reviewed your application and found that your municipality meets all the criteria for the Green Level of our program and will likely move up to the next level by the end of the first year. We enjoyed learning about your thoughtful plans to engage your community members about the many ways they can support birds from planting native plants to addressing light pollution and more. All these conservation plans will certainly have positive impacts throughout your community and help create a healthier environment for birds, wildlife and all.

We would like to work with you to organize:

1. a special presentation to your Borough Council to commemorate your acceptance to the program and also,
2. set up a virtual orientation meeting to review the Bird Town Pennsylvania Welcome Packet together.

Once again, we congratulate you on being designated as the 104<sup>th</sup> Bird Town Pennsylvania community and we look forward to hearing from you.

Sincerely,  
Heidi Shiver, Leigh Altadonna, Steve Saffier (Co-Chair) and Phil Witmer (Co-Chair), Barbara Beck, Nick Stahlman
